Strategic Planning Curriculum Action Team

Doyle Administration Bldg.
545 W. Dayton Street
Madison, WI 53703
Room 100A

The Curriculum Action Team is meeting as part of the Madison Metropolitan School District's on-going strategic planning process. The purpose of the meeting and the charge of the working group is to identify curriculum-related action steps that (1) are consistent with the draft of a revised school district mission statement; (2) help address the critical issues and achieve the key student outcomes initially identified by the Strategic Planning Committee; and (3) can be reported back to the Strategic Planning Committee as an "action plan" for further review and possible incorporation into the final strategic plan.

The strategic priority addressed by the Curriculum Action Team is the identification of solutions that will revolutionize the educational model to engage and support all students in a comprehensive participatory educational experience defined by rigorous, culturally-relevant and accelerated learning opportunities where authentic assessment is paired with flexible instruction.

Interested members of the public are invited to attend the meeting as observers.

Tentative dates for future meetings of the Curriculum Action Team are as follows:

March 18, 2009; 4:00 pm in Room 209 of the Doyle Administration Building

March 23, 2009; 4:00 pm in Room 100A of the Doyle Administration Building

April 14, 2009; 4:00 pm in Room 103 of the Doyle Administration Building
