

postpone action on approving the Isthmus Montessori Academy Charter School contract until no later than August 21, 2017 allowing administration to further negotiate language regarding the three-year accountability structure, as well as modify the attendance area in a manner to maximize the opportunities for students of the intended demographic group to attend IMACS.

(Not part of the motion--budget will be appropriately modified and publicly available to the extent that it is impacted at the time when the IMACS contract comes before the Board.)

It was moved by TJ Mertz and seconded by Nicki Vander Meulen to ask that the waivers be recognized through the Handbook process. Student advisory vote was aye. Motion carried 5-2 with Mary Burke and James Howard voting no.
